Hi Thao

Do you have a list of the labels you need and the quantities of each part number? (for example how many each of 1A, 2 A, 3A etc)

We can complete most if not all within that time frame

Tom

Dear Mr. Tom,

Could you please advise us the quantity of labels you can produce in 25 days?
Because we find that your leadtime is too long, it cannot reach our schedule for production.

Many thanks,
Thao

Thanks and best regards!

Hello Bac,

We currently have two certified suppliers for the pod labels with negotiated pricing. It is recommended that we split orders as best we can (50-50) between Graphic Information Systems (GIS) and Yeuell. I've provided both contacts below for your records.
